Assisted Living Facilities Subject of Roanoke Town Hall

RICHMOND – Director of the Department of Health Professions, Sandra Whitley Ryals, today announced a Town Hall meeting on November 24, 2008, in Roanoke to answer questions requiring licensed administrators for all assisted living facilities.

Virginia Law requires that all assisted living facilities that are licensed to provide assisted living care must have a licensed administrator by January 2, 2009.

Ted A. LeNeave, NHA, Chair of the Long-Term Care Administrators Board will conduct the meeting. He noted that this effort is just one of many to provide the public and the long-term care professionals with information regarding compliance with the law.

The November 24, 2008, meeting starts at 2:00 p.m. at the American Health Care Headquarters, 5372 Fallowater Lane, Suite 200, Roanoke, VA 24018. Call 540-774-4263 for directions.
